To: Tidbits’ Publishers

The Corporate offices for Tidbits Media, Inc. are located in Montgomery, Alabama. The first Tidbits newspaper was founded in 1987 in Helena, Montana. Tidbits is currently in its 13th year of operation. As we continue to protect and move the brand forward, the value of your Tidbits business will continue to increase.

Logored merchandise is the one basic element that will help you expose and grow the Tidbits brand awareness in your publishing area. This will help translate into additional advertising sales for you. The more your advertisers see the brand on logored merchandise, the more trust it will engender in your business.

This catalog is the beginning of many new products that will be offered to you in the future. It will be ever changing. If you have other items you recommend for the catalog, please let us know.

Our goal is to serve you, our Tidbits Publishers. Thanks for helping build the brand together!
